

# GLAZIER CRADLE

Designed, tested, and certified by Skyjack

The Skyjack Glazier Cradle offers a capacity of up to 95kg and provides an easy to use, safe and efficient handling solution, which is ideal for carrying panels to height. The panel is retained and well supported on a platform mounted cradle, which includes plastic tray pads and foam rail covers for protection, together a securing strap to keep the panel in place during use and is available on both straight and articulating booms.

Model	Part Number	Rated Load on Panel Cradle	Rated Load on Platform (when Panel Cradle installed)	Load Size (Dimensions)	Wind Speed	Weight of Panel Cradle
SJ45 T, SJ66 T, SJ86 T, SJ63 AJ	162073	95 kg	113 kg (1 person)	1.2 m x 2.5 m	12.5 m/s	19 kg
SJ46 AJ, SJ51 AJ	169156					

Having equipment with features and functions that allow you and your customers to do more is a vital part of a rental company's utilization equation. Skyjack offers a range of accessory products to further expand a given product's adaptability and your power to offer a truly flexible rental choice. Accessoryzers™ is a Skyjack brand which covers factory certified attachments, options and accessories. These are developed, designed, and tested to provide increases in productivity, improved working conditions and minimal manual work.
