

LIGHT DUTY PIPE/STEEL STUD RACK

Designed, tested, and certified by Skyjack

The light duty pipe rack maximizes platform work space and productivity. The pipe rack is an ideal aid for plumbers, electricians and maintenance workers, who want to organize platform materials without limiting machine movement within tight spaces. For securing a load, the pipe rack features a durable nylon strap with flat hook, while a stowable cradle permits travel through narrow doorways.

	Vertical Masts	
	SJ12 (S/N 14000000+)	SJ16 (S/N 14000000+)
